Do that by making a sales page for the new e book, however do not embrace a price on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by making a number of duplicate sales pages with totally different prices on each page. Be certain that your sales copy is strictly the same on each web

page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum worth is.
