If you want to see large income over customer draw, aim for an audience that's searching for easy solutions to their problems at a low price. In case your e-book is aimed toward solving one particular drawback fairly than general recommendation, then you'll be able to cost more. Begin at the highest price the market will bear to usher in the largest earnings, and plan to discount the book a variety of occasions all through the year.

If these prospects have already purchased an e book from you, ask for their opinion in terms of price. Do that by creating a sales web page for the new book, however do not include a price on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.
