As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with completely different costs on every page. Ensure your sales copy is precisely the identical on every page, and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This will tell you what your optimum value is.
