What do you suppose an idea is value when evaluated in opposition to the cost of paper and ink?

It's the IDEAS that are invaluable! That is how you decide the price of your ebook.

What ought to I cost for my concepts?

There are all different formulas and strategies for determining the proper worth on your ebook. Let's start with honing in on your ultimate goals.

Decide in case your objective is to get extensive distribution and most exposure. This aim is geared toward drawing clients to what you are promoting or service, or to establishing the credibility of your reputation. If this is your main purpose, it's best to goal to maintain your price on the low side. Some authors have even priced their ebooks at a revenue loss to draw a excessive number of new customers. The hot button is to discover a worth that maximizes your earnings and the number of books you sell.

This is a wonderful pricing technique if you are seeking to purchase long-time period customers. Lengthy-time period clients are extremely probably to purchase from you once more and again ? so long as the primary book they purchase is of exceptional quality and helpful to the customer.

Nonetheless, in case your guide contains beneficial ? and more importantly NEW info, references, or techniques ? then you must goal to price it on the high end.

After you figure out your purpose, you need to figure out what your viewers's need is for your ebook. For example, does your ebook remedy a selected drawback? If it does, and solves it in a method that hasn't been written about in 100 different ebooks, you will be able to obtain excessive

sales at a excessive price. In case your book solves a problem or solutions questions in a brand new and distinctive way, you should value your guide as high as you'll be able to go. Begin on the highest value the market will bear to usher in the largest income, and plan to low cost the book a variety of times all through the year.

## Advertising and marketing Strategies

The important thing that unlocks the sales potential of your ebook is to discover a single sentence that turns into your promoting handle. This sentence states what query or drawback your book solutions and the benefits your e-book can provide. Then be sure you use that sentence in every

piece of gross sales and promotional material, and each time anyone asks you about your ebook.

Apart from promoting your books assiduously on-line, there are a number of different methods that may allow you to promote more books.

One is to provide one thing away without spending a dime along with your e book, comparable to a priceless bonus item. Or bundle a number of ebooks under one worth, which lowers the worth for each e-book if they have been bought separately.

An efficient approach for determining a worth is to send out a survey to your present customers. If these prospects have already purchased an book from you, ask for their opinion in terms of price. Do this by making a sales web page for the new ebook, however do not include a price on that page. As a substitute, add various links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out costs by making a variety of duplicate sales pages with totally different prices on each page. Ensure your gross sales copy is exactly the same on each page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum price is.

Ultimately, if you happen to've written a book that solves a drawback or presents a new method, your e book will usher in both traffic and profits.
