An efficient method for determining a value is to ship out a survey to your current customers. If these clients have already bought an e-book from you, ask for his or her opinion by way of price. Do that by making a gross sales page for the brand new e-book, however don't embody a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out prices by creating a number of duplicate sales pages with totally different prices on each page. Ensure that your sales copy is exactly the identical on every web page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum worth is.

Finally, in case you've written a e book that solves a drawback or presents a new technique, your ebook will herald each site visitors and profits.
