An efficient approach for determining a value is to send out a survey to your present customers. If these customers have already purchased an ebook from you, ask for his or her opinion by way of price. Do that by making a sales page for the brand new guide, however do not include a worth on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Make sure your sales copy is precisely the same on each web page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum value is.

In the end, if you've written a e book that solves a problem or presents a brand new technique, your ebook will bring in each visitors and profits.
