One other strategy is to check out prices by making a variety of duplicate gross sales pages with totally different prices on each page. Be sure your gross sales copy is strictly the identical on

each web page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum worth is.

Finally, if you've written a book that solves a downside or presents a new method, your e book will herald both site visitors and profits. So make sure to write that selling-deal with sentence that sums up what problem your e-book solves and what the benefits of your 1176 ebook can be to the customers who buy it.
