An effective approach for determining a worth is to ship out a survey to your present customers. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by creating a number of duplicate sales pages with completely different prices on each page. Ensure your gross sales copy is strictly the identical on each web page, and consists of your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This will let you know what your optimum value is.

Finally, in the event you've written a e book that solves a drawback or presents a new technique, your guide will herald each site visitors and profits.
