Do this by creating a sales web page for the new ebook, but don't include a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out prices by making a variety of duplicate sales pages with completely different prices on every page. Be certain that your gross sales copy is precisely the

identical on every web page, and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum value is.

Ultimately, in case you've written a e book that solves a problem or presents a new approach, your e-book will herald both visitors and profits.
