Begin at the highest price the market will bear to usher in the largest income, and plan to low cost the e book a variety of times all through the year.

Do this by making a gross sales page for the new e book, but do not embrace a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with different prices on every page. Be certain that your sales copy is precisely the same on every page,

and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum price is.

In the end, if you've written a guide that solves a drawback or presents a brand new technique, your guide will bring in each traffic and profits.
