As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by creating a number of duplicate gross sales pages with completely different costs on every page. Ensure your sales copy is precisely the identical on each

web page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum value is.

Ultimately, in the event you've written a e-book that solves a problem or presents a new method, your e-book will bring in each traffic and profits.
