An effective method for determining a value is to send out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for his or her opinion by way of price. Do that by making a sales page for the brand new e-book, but do not embody a price on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with different costs on each page. Ensure your gross sales copy is precisely the identical on every page,

and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum worth is.

Ultimately, if you happen to've written a ebook that solves a problem or presents a new technique, your guide will herald both site visitors and profits.
