Do this by making a gross sales web page for the brand new book, however don't embody a price on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with totally different costs on every page. Ensure that your gross sales copy is strictly the same on

each web page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum value is.
