Do that by creating a gross sales page for the brand new book, however do not embrace a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out prices by making a variety of duplicate gross sales pages with totally different costs on each page. Make certain your gross sales copy is precisely the identical

on each web page, and contains your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. It will let you know what your optimum price is.

Finally, should you've written a ebook that solves a downside or presents a new method, your ebook will bring in each site visitors and profits.
