Instead, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with different prices on each page. Ensure your gross sales copy is exactly the same on every web page, and includes your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum worth is.

Finally, should you've written a e-book that solves a problem or presents a brand new technique, your e book will usher in both traffic and profits.
