An effective approach for figuring out a worth is to ship out a survey to your present customers. If these prospects have already purchased an e-book from you, ask for his or her opinion in terms of

price. Do that by creating a sales page for the new e-book, however don't embody a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with different prices on every page. Ensure that your sales copy is precisely the similar on every page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum value is.

Finally, if you've written a e-book that solves a downside or presents a new method, your e book will bring in each traffic and profits. So you should definitely write that promoting-deal with sentence that sums up what problem your ebook solves and what the benefits of your 2232 e book will be to the shoppers who purchase it.
