sales and promotional material, and each time anybody asks you about your ebook.

Do this by creating a gross sales page for the new book, however do not embody a value on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out prices by creating a number of duplicate gross sales pages with totally different costs on every page. Be sure that your sales copy is strictly the similar on each web page, and contains your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum worth is.

Ultimately, should you've written a ebook that solves a drawback or presents a new technique, your ebook will herald both visitors and profits. So make sure you write that selling-handle sentence that sums up what downside your ebook solves and what the advantages of your 2374 guide shall be to the customers who buy it.
