As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by making a variety of duplicate sales pages with completely different costs on every page. Make sure your sales copy is precisely the identical on each page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum worth is.

Finally, when you've written a e book that solves a downside or presents a new method, your ebook will bring in each traffic and profits.
