An effective method for determining a worth is to ship out a survey to your present customers. If these prospects have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the brand new ebook, but do not embrace a worth on that page. One other technique is to check out prices by creating a variety of duplicate gross sales pages with different prices on each page. Be sure your sales copy is strictly the identical on each web page,

and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum worth is.

Finally, when you've written a guide that solves a downside or presents a brand new technique, your e book will herald both visitors and profits.
