by creating a gross sales page for the new e-book, but do not include a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with totally different prices on every page. Ensure that your gross sales copy is strictly the same on every web page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum worth is.

Ultimately, for those who've written a ebook that solves a downside or presents a new approach, your e-book will bring in each traffic and profits.
