Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate sales pages with totally different costs on every page. Ensure that your gross sales copy is strictly the identical on each

page, and consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum value is.

In the end, in case you've written a e book that solves a problem or presents a new approach, your ebook will herald each visitors and profits.
