Do this by making a gross sales web page for the brand new ebook, however do not include a price on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with totally different costs on every page. Make certain your gross sales copy is precisely the same on each web

page, and consists of your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum price is.

In the end, in the event you've written a e book that solves a drawback or presents a new method, your ebook will usher in both visitors and profits.
