If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do that by creating a gross sales web page for the new book, however do not embody a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with different costs on every page. Be certain that your sales copy is precisely the identical on every page, and

contains your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum value is.

Ultimately, in the event you've written a book that solves a problem or presents a brand new approach, your e-book will herald both visitors and profits. So you should definitely write that promoting-handle sentence that sums up what drawback your guide solves and what the advantages of your 3 ebook will likely be to the purchasers who buy it.
