Do this by creating a gross sales web page for the brand new guide, however do not embrace a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with different costs on every page. Be certain your sales copy is exactly the same on each web page, and

includes your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum worth is.

Ultimately, if you happen to've written a guide that solves a problem or presents a brand new method, your ebook will herald each traffic and profits.
