Instead, add quite a few links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Be sure your gross sales copy is exactly the same on

every web page, and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum worth is.

Ultimately, when you've written a e-book that solves a drawback or presents a new technique, your e-book will bring in each traffic and profits.
