Do that by creating a sales page for the new e-book, however don't include a price on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by making a number of duplicate gross sales pages with totally different costs on each page. Be certain your gross sales copy is exactly the same on each page, and includes your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum value is.

In the end, should you've written a guide that solves a downside or presents a brand new approach, your guide will usher in each site visitors and profits.
