If these customers have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales page for the brand new e-book, but do not embrace a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with different prices on each page. Ensure that your gross sales copy is precisely the same on every page, and

contains your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum price is.

Ultimately, for those who've written a guide that solves a drawback or presents a brand new approach, your guide will usher in both site visitors and profits.
