Do this by creating a gross sales page for the new guide, however don't include a worth on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with totally different prices on each page. Ensure that your sales copy is strictly the similar on each page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. This may let you know what your optimum value is.

In the end, if you happen to've written a book that solves a problem or presents a brand new technique, your book will bring in both site visitors and profits.
