Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by creating a variety of duplicate sales pages with completely different costs on every page. Make sure your gross sales copy is precisely the same on every page, and includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum price is.

Ultimately, if you've written a book that solves a drawback or presents a new method, your e book will bring in both traffic and profits. So be sure to write that selling-handle sentence that sums up what downside your e-book solves and what the advantages of your 797 ebook will likely be to the purchasers who purchase it.
