Do that by making a gross sales web page for the brand new e book, but do not embrace a price on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Make sure your sales copy is precisely the similar on every page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, should you've written a book that solves a downside or presents a new approach, your

book will bring in both site visitors and profits. So you should definitely write that selling-handle sentence that sums up what downside your ebook solves and what the advantages of your 818 e book can be to the customers who buy it. After which watch your market come to you!
