One other technique is to check out costs by making a variety of duplicate sales pages with different prices on each page. Ensure that your sales copy is precisely the same on each web page, and contains your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This can tell you what your optimum worth is.

In the end, in case you've written a ebook that solves a downside or presents a new method, your e book will bring in each traffic and profits.
