Another strategy is to test out costs by creating a number of duplicate gross sales pages with different costs on each page. Be sure your sales copy is precisely the similar on each web page, and consists of your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum price is.

Finally, when you've written a ebook that solves a drawback or presents a new approach, your guide will bring in each site visitors and profits.
