An efficient approach for determining a price is to ship out a survey to your current customers. If these clients have already purchased an ebook from you, ask for his or her opinion by way of price.

Do that by making a sales page for the new ebook, however do not embody a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out prices by making a variety of duplicate sales pages with completely different prices on every page. Make sure your sales copy is strictly the identical on each web page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This will inform you what your optimum value is.
