Do that by creating a sales web page for the new e-book, but do not include a worth on that page. As an alternative, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with totally different prices on each page. Make sure your gross sales copy is exactly the same on every web

page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. This will tell you what your optimum value is.
