Instead, add a variety of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with totally different prices on each page. Be certain that your sales copy is strictly the identical on

each web page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum worth is.

In the end, if you've written a book that solves a problem or presents a brand new technique, your book will herald both site visitors and profits.
