Pricing an e book is especially difficult as a result of ebooks are a reasonably new commodity.

Since they're digital, the value of an book is as confusing as the understanding of what digital truly is to the average layperson. Because of this we must take a look at ebooks in a distinct light with a purpose to decide their precise value in this brave, new cyber world.

Let's look at the difference between a e book in print and an ebook. A printed guide is an object you may maintain in your hand, retailer in your bookshelf, even hand down to the following generation. It is priced on factors such as paper inventory, design and manufacturing costs, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It's the concepts in these books which have the flexibility to change, or probably transform, individuals's lives.

What do you think an idea is worth when evaluated against the cost of paper and ink?

It is the IDEAS that are precious! That is the way you decide the price of your ebook.

What ought to I cost for my concepts?

There are all completely different formulas and strategies for determining the correct price to your ebook. Let's start with honing in in your final goals.

Decide in case your goal is to get broad distribution and most exposure. This aim is geared toward drawing customers to your small business or service, or to establishing the credibility of your reputation. If that is your predominant objective, you should goal to maintain your price on the low side. Some authors have even priced their ebooks at a revenue loss to attract a high number of new customers. The hot button is to find a value that maximizes your income and the variety of books you sell.

This is a superb pricing technique if you're trying to acquire long-term customers. Lengthy-time period customers are extremely likely to purchase from you again and again ? as long as the primary e-book they purchase is of exceptional quality and helpful to the customer.

Nonetheless, in case your e-book contains priceless ? and more importantly NEW info, references, or strategies ? then you need to intention to cost it on the high end.

After you figure out your objective, you have to work out what your audience's want is for your ebook. For example, does your e-book resolve a particular downside? If it does, and solves it in a method that hasn't been written about in 100 different ebooks, you can be in a position to obtain

excessive gross sales at a excessive price. In case your book solves a problem or solutions questions in a new and unique approach, you need to value your ebook as high as you can go. You'll obtain bigger income this way, however usher in fewer customers. Just ensure that the query or downside that your e-book solves is one which is necessary and relevant to the majority of your market audience. In case your concepts aren't widespread knowledge, or you might be presenting a model new technique, you will be able to sell books at a excessive price. Simply be ready for your competitors to undercut you on value as quickly as they hear about your book.

Take into account that the above pricing technique is temporary. Eventually, you'll stop to promote books at this excessive price. So work out in advance how long you plan to offer your ebook at this excessive worth, and when that point is up, change your pricing strategy.

If you wish to see large profits over buyer draw, purpose for an viewers that is on the lookout for simple solutions to their issues at a low price. In case your e-book is aimed at solving one explicit problem rather than general recommendation, then you possibly can cost more. Start at the highest price the market will bear to usher in the largest profits, and plan to low cost the ebook a variety of instances all through the year.

## Marketing Strategies

The key that unlocks the sales potential of your e book is to discover a single sentence that turns into your promoting handle. This sentence states what query or downside your ebook answers and the benefits your book can provide. Then be sure you use that sentence in every piece of gross sales and

promotional materials, and each time anybody asks you about your ebook.

In addition to promoting your books assiduously online, there are several different methods that can assist you to promote more books.

One is to present one thing away at no cost with your e-book, reminiscent of a beneficial bonus item. Or bundle a number of ebooks under one price, which lowers the worth for every e-book if they had been bought separately.

An effective technique for determining a price is to send out a survey to your present customers. If these customers have already bought an ebook from you, ask for their opinion by way of price. Do that by making a gross sales page for the new ebook, but don't include a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out costs by making a variety of duplicate gross sales pages with different costs on every page. Be certain your sales copy is precisely the identical on every page, and includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum value is.

Finally, when you've written a ebook that solves a problem or presents a new method, your e-book will bring in each site visitors and profits. So you should definitely write that selling-handle sentence that sums up what downside your ebook solves and what the benefits of your *Study Guide For Living Environment Regents* ebook will be to the purchasers who purchase it. And then watch your market come to you!
