Then remember to use that sentence in every piece of gross sales and promotional material, and each time anybody asks you about your ebook.

Apart from selling your books assiduously on-line, there are several other methods that may show you how to promote extra books.

One is to present one thing away free of charge along with your guide, such as a worthwhile bonus item. Or bundle several ebooks below one value, which lowers the value for every ebook if they were bought separately.

An efficient technique for determining a price is to ship out a survey to your current customers. If these customers have already bought a book from you, ask for their opinion in terms of price. Do this by creating a gross sales page for the new ebook, however do not embrace a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with different costs on every page. Be sure your gross sales copy is strictly the similar on each page,

and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum value is.
